

INTER-SCHOOLS CHALLENGE

Partner with any local bowling club and have a tailored training program to suit. Competition after initial training will be held in teams of three.

The Bowls NSW Inter-Schools Challenge is a new concept to showcase the benefits of lawn bowls as a sport to schools and students.

Schools will partner with a local bowling club who will conduct tuition and training leading into setting up an intra school competition.

Ideal for all students in Years 7-12 to participate.

Tuition/training/competition can be run as part of school sport or out of school hours.

All bowling equipment will be supplied by the club - the only requirement is flat soled running shoes.
